

Commendation

Florida Institute for Community Studies

The Hillsborough County Board of County Commissioners is pleased to recognize Florida Institute for Community Studies for its dedication to service while overcoming the daunting challenges posed by the COVID-19 pandemic.

Since March 2020, Hillsborough County for-profit and nonprofit organizations, in addition to government partners and academic institutions, have worked tirelessly to collaborate to provide impactful and inspirational public service to residents during the pandemic. Their heartening actions, advocacy, and innovation helped preserve quality of life, strengthened hope, and encouraged all to adapt and adjust to difficult circumstances. Following public health guidelines, offering alternative methods of employment, and providing health care and food to those in need are just a few examples of how these organizations have harnessed their creativity and determination to continue serving the public. One such organization is Florida Institute for Community Studies, whose efforts and generosity are a testament to their compassion, resolve, and dedication to public service.

The Board of County Commissioners of Hillsborough County, Florida does hereby commend Florida Institute for Community Studies for its commitment and steadfast service in times of need, and thanks the organization for all it has done for the betterment of the community.
